TRAFFIC WORLD

THE INDEPENDENT NATIONAL WEEKLY TRAFFIC AND TRANSPORTATION NEWSMAGAZINE

SEMI-ANNUAL INDEX

July to December (inclusive), 1957

VOLUME 100

This index, planned for ready reference, is thoroughly cross-indexed, and designed to facilitate the finding of desired stories and news reports under appropriate headings. The index is divided under fourteen heads, conforming closely with the departmentalization of TRAFFIC WORLD.

INDEX TO CONTENTS

General Index 3

Contains news items and articles not generally classifiable under more particular headings, as well as a cross-index to many of the more important items appearing under the particular headings.

Interstate Commerce Commission News:

Cases 10

Subjects 19

Under this index there appear two subheads. The first, "Cases," lists titles of cases filed, heard, reported and decided. The second, headed "Subjects," includes general designations of subjects involved in the more important cases. A similar division of the indices into two subheads is carried out under C.A.B. News, F.M.B. News and Court News, below.
